

Dear PTA Presidents,

All graduating seniors will learn about the PTA scholarships (and other local scholarships and grants) from their counselors. Whether the students share that information with their parents is another matter! I am attaching a little advertisement for our scholarship program – so that we can be sure that our parents know, too!

Please include this little ad in your PTA newsletter, in your e-blast communications, your website, or anywhere else you like. You may want to personalize it to your school. This little blurb is just a start!

Thank you so much for your help in getting the word out!

Sincerely,

Martha Deutsch
President
Torrance Council of PTAs

PTA Scholarships available for graduating high school seniors in the Class of 2012!

Did you know that **all Torrance School PTAs in Torrance**, plus the Torrance Council of PTAs, give scholarships to graduating seniors?

These scholarships acknowledge the efforts and achievements of high school seniors and provide an incentive and financial support for students to continue their education at an accredited college, university, community college, trade or technical school. PTA seeks to honor service in the community and achievements in academics. **There is no minimum grade point average requirement for applicants.**

Each applicant must be a member of his/her high school PTSA. A copy of the applicant's current PTSA membership card must be submitted with the application.

Each applicant must fill out the TUSD 2011 – 2012 Local Scholarship Application form and turn it in to his/her high school counselor. Applications will be sent to the Torrance elementary, middle, and high school that the applicant matriculated from as well as the Torrance Council of PTAs for their consideration.

Please find the 2011-2012 Local Scholarship Application form on your high school website on the counselors' page or contact your high school counselor for more details.
