Dear Admissions/Recruitment Officer:

Hello again!!

**It is once again time for the Torrance College Information Fair
February 23, 2008, 11 AM to 2 PM**

**We enthusiastically invite your participation in this event,
our Twenty-Seventh Annual PTA/TUSD College Information Fair!!!**

The Torrance Council of PTAs and the Torrance Unified School District are once more joining the PTSAs of our four Torrance high schools North High School, South High School, Torrance High School and West High School, to sponsor a "**College Information Fair**" on **Saturday, February 23, 2008 from 11:00 a.m. to 2:00 p.m. at West High School, 20401 Victor St., Torrance, CA.**

We hope that you will take advantage of this chance to introduce your college or university to over one thousand Torrance and Torrance area students and parents who regularly attend our College Fair. The Torrance attendees will represent an enrollment of about ten thousand secondary students, sixty percent of whom go on to college. Our school district is the fourth largest in Los Angeles County, located about nine miles south of the Los Angeles International Airport.

The Fair is planned as an opportunity for freshman, sophomore and junior students, and their parents, to begin planning post high school education, but senior students will also be welcome. An invitation to attend the Fair will also be extended to a number of neighboring school districts and to our area local private schools.

The College Fair will be preceded by a brunch for college representatives at 10:00 a.m. Then, representatives will proceed to their respective tables to speak with students and parents. There will also be seminar style information sessions occurring throughout the College Information Fair.

Will you send a representative, either staff or local alumnus, to the College Information Fair on February 23, 2008 at West High School in Torrance? Please respond ASAP so that we may include your school's name in our early publicity releases. We have attached a response form.

We earnestly hope you will join us!

Sincerely yours,

Terry Ragins
