

## **“Apprentice Style” Installation**

Theme song from Apprentice starts playing as “Donald Chump” and “Carolyn” stand up and head for the front of the room.

**Donald Chump:** “Hi, I’m Donald Chump, \_\_\_\_\_ PTA’s honorary Chairman of the Board and the MC for this portion of the luncheon! I have taken time from my busy schedule to oversee the events of today. I’m here with my trustee sidekick, Carolyn, who is going to help me decide who to “hire” and who to “fire”....

The fake phone rings....Someone picks up and the phone says...”I would like the outgoing board members for 20\_\_-20\_\_ to please stand. Mr. Chump will see you now in the board room. (They all walk up next to Donald & Carolyn.)

**Donald Chump:** So, let’s see how well you all did on your assignments this past year...Carolyn, how do you think \_\_\_\_\_ did at her 1<sup>st</sup> VP position?

Carolyn: Well Mr. Chump, \_\_\_\_\_ has been a huge part of the PTA for many years and has held numerous positions on the PTA board. Her positive attitude, commitment and perseverance make her a real treasure! Sadly for us, her son will be off and running to middle school this fall and Sour school will no longer have her on its team!!

**Donald Chump:** I see, well what about \_\_\_\_\_? Has she contributed to the Team?

Carolyn: \_\_\_\_\_ has also held numerous positions on the PTA board and always goes over and above for the team. She is a self-starter, and a go-getter; you never have to ask her twice to get something done. She has been “head” grade rep for all her son’s classes over the years, as well as runs an impeccable AIA program! The problem is her son will also be leaving out school and we will not have the advantage of having these two wonderful volunteers next year!

**Donald Chump:** Yes, I see your point Carolyn; this does leave several important voids in the team. How well would you say \_\_\_\_\_ performed her duties as historian for the team?...

Carolyn: \_\_\_\_\_ is a main pillar at our school and has held numerous positions as well. She is positive and hardworking. Her helpful personality and great character always shines through in everything she does! She also has a daughter moving on to middle school and will be greatly missed!

**Donald Chump: Wow! It sounds like we're on our way to losing a lot of team members. Ok then, so how did \_\_\_\_\_ contribute to the team?**

Carolyn: Well Donald, \_\_\_\_\_ has been part of our PTA for YEARS...she has held more positions than I'm sure she would care to remember as well as PTA President! Her dedication and commitment is legendary. She is bright, quick thinking and is a plethora of information when it comes to PTA business. She is like a school icon! No one knows PTA bylaws like \_\_\_\_\_ ...it's really scary!

**Donald Chump: Is it safe to say \_\_\_\_\_ and \_\_\_\_\_ are the same as the other ladies?**

Carolyn: Oh yes, sir, \_\_\_\_\_ and \_\_\_\_\_ have both been great team members. Although \_\_\_\_\_ works full-time, she makes time for our school and has done an amazing job as our auditor. \_\_\_\_\_, has also held various positions on the PTA board and has helped out a lot at school. So you see Mr. Chump, this is quite a dilemma we're in. We have all these wonderful team members, but either their term is up or they are leaving the school.

**Donald Chump: We'll then Carolyn, after hearing all the evidence I have no choice... \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ & \_\_\_\_\_ ... Ladies, your dedication and hard work has given Seaside a great legacy of wonderful ideas and awesome contributions. The smiles you leave on the students' faces will remind us of all that you created for many years to come! We LOVE you great ladies, but the time has come... "YOU'RE FIRED"**

*INCOMING BOARD:*

**Donald Chump: Now for the rest of the team and all the incoming board members - meet me at the top of Chump towers to get your new assignments.**

New board walks up...

Names of Incoming board... \_\_\_\_\_, \_\_\_\_\_,  
\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_,  
\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_,  
\_\_\_\_\_ & \_\_\_\_\_.

**Donald Chump: So Carolyn, what is it that you believe \_\_\_\_\_ will bring to the board in her new position as 1<sup>st</sup> VP of Programs?**

Carolyn: Mr. Trump, \_\_\_\_\_ successfully lead the membership team to victory this past year at our school, increasing our numbers by over 200! To top it all off, she threw a fabulous Monster Mash Bash to thank everyone for joining PTA. \_\_\_\_\_ knows her business. So I guess you could call her a “busy body”...her body’s always busy!!! She will be an excellent asset to the team.

**Donald Chump: And you know I am into acquiring assets, I’ve even married a few. So I say \_\_\_\_\_’s a go. Who else do you have lined up, Carolyn, you sound pretty confident about all this.**

Carolyn: Mr. Trump, just wait until I tell you about the other team members.

**Donald Chump: Tell me about \_\_\_\_\_ ...will she pull her own for the team?**

Carolyn: Oh yes, Mr. Trump, I’ve just known \_\_\_\_\_ for a very short time, but what I’ve seen, she is a very hard working and dedicated! Her positive nature is sure to create positive energy for the team! By the way--She’s a virgin, you know?

**Donald Chump: A “What”? This is a prime-time show, no sex discussed here. Besides, I have to be real careful about virgins on my team, with another new wife and baby.**

Carolyn: I understand all too well, sir. I would never put any of my friends in harms way. (*Chump glares*) Let me explain, by virgin, I mean she is new to serving on the PTA board! I know she’ll give it her best and do it with a cheerful smile on her face.

**Donald Chump: Well she sounds like she’s well trained. So tell me what’s going on with the ways and means fundraising team?**

Carolyn: Well sir, \_\_\_\_\_, the doll that she is, has spent MANY years successfully leading our school through fundraising.

**Donald Chump: What about the 4<sup>th</sup> VP position?**

Carolyn: Oh Mr. Chump, I'm so excited...I found an incredible person to run the 4<sup>th</sup> VP position! \_\_\_\_\_ has graciously agreed to run the 4<sup>th</sup> VP Position and I know she'll do great things! \_\_\_\_\_ has had EXTENSIVE experience with all her volunteer work with the school's yearbook and is amazingly responsible!

**Chump: What do you have in mind for that \_\_\_\_\_ lady?**

Carolyn: Oh, you mean \_\_\_\_\_? The wonderful "lady" who planned this whole event today? She's still here and has agreed to stay for a second term as our VP of hospitality! She brings warmth and graciousness to all our PTA events, a direct foil to the abrasiveness that can sometimes sour an event. *(Look at Trump with contempt)*

**Donald Chump: Yes, I admit, she did an excellent job coordinating the "staff lounge makeover"...NICE JOB!! Give her a raise Carolyn, I give you permission to pay her even more of the nothing you all make. See how generous I can be! What about this \_\_\_\_\_'s character...**

Carolyn: \_\_\_\_\_ came to us highly recommended! She has headed ELMAC events for our school and is quite involved in participating in her son's class. I look so forward to working with her this next year!!!

**Donald Chump: She sounds like a good find. So I hear \_\_\_\_\_ has been brave enough to come back as our Recording Secretary? If I can't scare her away, then nothing can.**

Carolyn: Well sir, they say self knowledge is the first step to enlightenment, maybe IN TIME you just might resemble something normal. *(Look sheepish like the last part just kinda slipped out. Maybe put hand over mouth after you say it.)* \_\_\_\_\_ has been a wonderful asset to our board! She is such a pleasure to work with and always has wonderful inspirations to share at the meetings!

**Donald Chump:** And that's just what we need - more, inspirational Employees that work for free!!!! Well what about this \_\_\_\_\_? Tell me about her...

Carolyn: Well Mr. Chump, I just met \_\_\_\_\_ a month or two back at our April board meeting and her skills impressed me! She is ready and waiting to fill her spot as our new Treasurer! I've only known her for a short while but she brings good thoughts and ideas to the table. I like people who just fit right in! We're lucky to have her on board!

**Donald Chump:** Good to hear you are always on the look out for qualified talent that works cheap. Now I understand \_\_\_\_\_ is also coming back to grace our presence as Financial Secretary...

Carolyn: That's right, sir! \_\_\_\_\_ has graciously agreed to return as our Financial Secretary for another term. She is so CONSCIENTIOUS about her work, that I'm so confident we'll never have to worry about finding ANY mistakes! She is always so happy and cheerful too!

**Donald Chump:** As you know I am ALWAYS concerned about money, with all that alimony I pay my ex-wives—I need to know who is handling all my dough. What about \_\_\_\_\_, what will she be doing now that \_\_\_\_\_ has joined the team?

Carolyn: I'm so glad you asked sir... \_\_\_\_\_ has kindly agreed to come back as a team member but this time, as our Auditor! I'm so excited to still have her with us. She has been such a blessing to me and with her beautiful smile and kind heart; I've always been able to count on her in time of need!

**Donald Chump:** Awwwwwww, that's so touching....Now can we PLEASE get back on track here??? Who is our new historian???

Carolyn: Oh, that would be our very own 5<sup>th</sup> grade teacher, \_\_\_\_\_! He's really cool too, all the kids say so!

**Donald Chump:** Is he as cool as my hairstyle???

Carolyn: Sir, I said cool, not a FOOL! As a matter of fact he is really cool! He is great to work with as I had the pleasure to work with him during our Aloha

Carnival last year! He is very reliable and responsible; he too will be a great asset to the team and he's a really nice guy!

**Donald Chump:** He does sound great, make him an appointment with me so I can educate him on the insider tips on how to comb his hair! Now what I would like to know...is \_\_\_\_\_ planning on coming back? As you know, I like my secretaries cute and efficient.

Carolyn: Well, despite working for you, she has decided to put the good of the organization first and return as our Corresponding Secretary. Our PTA as well as our board is so fortunate to have her on their team! She is one of the most hard working and selfless people I know. She is always there to lend a helping hand, not to mention she makes a mean coffee cake too!

**Donald Chump:** Wow, she sounds irreplaceable even if she doesn't understand the complex nature of my personality.

Carolyn: Does anybody?

**Donald Chump:** In deference to our time and the audience here today, I will ignore that comment, Carolyn. Now, is there anyone else?

Carolyn: Yes sir! We have no other than our very own \_\_\_\_\_ as our new incoming teacher rep! I just love \_\_\_\_\_, she's such a wonderful teacher and she's so good with children!

**Donald Chump:** Well that's good to know, with all the kids brought in this world I could use her to run my very own "Chump classroom"...just think, full of my very own little Chump children in training to grow up just like dear ol' Dad...

Carolyn: Yeah....just think of it??? (gagging)

**Donald Chump:** So Carolyn, is there anyone else on the team?

Carolyn: Yes sir, last but not least, our Legislation chair...\_\_\_\_\_!  
\_\_\_\_\_ is so kind and informative! He has done a great job keeping the board abreast of any and all the legal battles going on in the state level where our children are concerned! I'm looking forward to having him back next year, he's awesome!

**Donald Chump:** I have always needed someone strong on my legal team, with all my pre-nups and alimony/child support issues. Thanks for signing up again, \_\_\_\_\_ and for keeping Marla out of my back pocket.

Carolyn: Wow! It looks like you have an incredible line up of people for next year's board. Alright everyone, as you know Mr. Chump runs a tight ship and I need to know if this new team can do whatever it takes to make \_\_\_\_\_'s PTA successful.

**Mr. Chump:** I believe that is for me to decide, Carolyn. So Board, I must know if you can adhere to the \_\_\_\_\_ PTA "Chump" Code of Conduct." It reads as follows:

**No sleeping on the job, unless to get all your work done, you must live on campus.**

**BUT No living on campus without a paycheck.**

**No paycheck because in your contract you volunteered for this fun.**

**No outward signs of fun or even more people will apply for PTA jobs at our school**

**More applications would mean more work for Mr. Chump.**

**More work at this location could jeopardize the completion and expansion of Chump's National Golf Club on the Hill.**

Carolyn: And without Chump Links and other such monuments to yourself.... then you would just be another balding guy with a bad comb over?

**Chump:** I think a smell a "FIRE," coming, don't you Miss Smarty Pants? Since at this time, I am also renewing your contact, Carolyn, I suggest you keep your impertinent opinions to yourself. I happen to be very famous and very successful. So back to the task at hand, PTA Board members, raise your right hand and repeat after me:

I, \_\_\_\_\_ being of "Chump" mind and it is such a great mind to emulate, (*Carolyn rolls her eyes.*) agree to be on the \_\_\_\_\_ PTA Board for the 20\_\_ - 20\_\_ school year.

I agree to strive to survive and make the \_\_\_\_\_ PTA thrive in the coming year.

Carolyn: Well despite your arrogant delivery, I believe everyone agreed to be on the Board, Mr. Chump sir.

**Chump: Smart people, I sure know how to pick ‘em don’t I Carolyn? I am so efficient, I have finished just in time to make my tee time. CAROLYN, Where did you put my clubs? Don’t forget to order my new suit from the tailors, this one is looking shabby. And fire my personal trainer because the diet and exercise program he has me on isn’t working. Got that??? Carry on, Carolyn.**

**Bye everyone, see you next year in the Board room!**

**THE END**
