May 14, 2022

9:00AM - 9:00PM

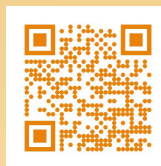

South High School

4801 Pacific Coast Highway, Torrance

Aloha to our awesome Torrance community! Invite your Ohana and friends to help us celebrate our 20th anniversary in the fight against cancer! To date, we have raised over \$3.5 million dollars, but the fight is not over and we need your support.

Walk alongside members of our community as we raise funds to help further the American Cancer Society's mission. We need your commitment to stand behind the works of the ACS by sponsoring, registering a team and or donating to help make a difference.
