

## PEACE, LOVE, & PTA INSTALLATION OF OFFICERS

Installing officer 1: Hey man, all you totally cool members of the \_\_\_\_\_ School Flower Children, umm, I mean PTSA. Sit back and chill, cuz we've got some heavy thoughts to lay on you, can you dig it??

Installing officer 2: Yeah \_\_\_\_\_, since this is such a happening scene, we've decided it's the hippest time to induct our new PTSA officers for the 20\_\_ - 20\_\_ school year. Will all the newly elected officers please book on up here and check it out?

1: First is this hip chick, our Historian, \_\_\_\_\_ . Her bag is to record the achievements of our PTSA. She'll tune in, turn on, and make sure not to drop out anything important that happens throughout the year. She's totally stoked to keep a good record of what we do, and we know she'll stick with it, so we got some cool stickers for her.

2: Our next cool cat is \_\_\_\_\_. This slick chick will be our Auditor. She'll make sure our books are copasetic, so the PTSA fuzz won't come after us. I know she's psyched to do it. Ok dudes, I know what you're all thinking, but this job is not the pits. She'll make sure \_\_\_\_\_ Council totally digs us and that they know we haven't flaked out, Since she'll keep a smile on their face, we've got this smiley face for her.

1: This next right-on chick is \_\_\_\_\_, our far-out Treasurer. She's the cat in charge of our bread. She'll keep accurate and groovy records of our income and expenses. It's a total bummer not having any bread, man. I mean, not having

any bread is like not having any tunes. So, since she will keep it right on, she's like music to our ears. We have this musical notebook for her.

2: You hipsters know that you're not supposed to trust anyone over 30, but luckily for our PTSA, we get our kicks with \_\_\_\_\_ . She's our Recording Secretary and she's really "with-it" . She'll be wowing us with her minutes, keeping records that will be a source of information of what happened, especially for those of us who are like, gone, baby, gone. To help you keep us tuned in, here is a rad notepad and some pencils.

1: The next fab chick is \_\_\_\_\_. She's the groovy 3<sup>rd</sup> VP, in charge of membership. She'll be showing all our brothers and sisters how to make love, not war by joining the PTSA tribe. Putting together all the cool cats, their old man and old lady, the teach and even the squares is totally psychedelic. When everyone is joined together, it's like creating a rainbow, Human Be-In, so we have a rainbow headband for you.

2: \_\_\_\_\_ is a hip chick who is our 2nd VP in charge of Ways and Means. She's a real groovy gal and will be in charge of helping us raise some bread. How totally bitchin' is that? She'll make our pad boogie. I know we're going to have a gas working together making our PTSA's future bright, so bright, in fact, that you'll have to wear shades.

1 & 2 Together: Ok, sing a long time!!!

Na Na, Na Na Na Na, Hey Hey Hey, Goodbye (x 3)

1: Actually, you don't say goodbye, we say hello. Hello to our newest hippie on the board, \_\_\_\_\_, our 1<sup>st</sup> VP,

in charge of Programs. She'll bring us the programs to keep things fresh and fun. She'll have to know when to cool it and when to turn-on cuz she knows she can't let our family crash. \_\_\_\_\_, so you can always be our merry prankster, here is a whoopee cushion for you.

2: And now we get to someone who is really boss. She's the chick who is top dog. \_\_\_\_\_. our President. Peace and love man and she'll be the one in charge of keeping the peace, as she leads and encourages this PTSA. So you can spread peace, here is a peace sign necklace. Also, when things are whacked, you need to commune with nature. Now and again, you'll need to stop and smell the roses, so here is some flower power.

1: And sister, things can get overwhelming sometimes so remember that if you ever feel like you need a little strength, here is a bra and some matches to burn it with.

2: Now all you groovy chicks put up a peace sign with your right hand and repeat after me:

“We promise....to work to the best of our ability.... to be cool to our school....and to hang out now and again”

I pronounce you duly installed officers of the  
\_\_\_\_\_ PTSA.

PEACE, LOVE, AND PTA!!!! You can all split now....
