Motions are made for a PTA to take action for plans, programs and activities. They are introduced, seconded, discussed and voted on by members at a meeting.

To legally participate in the process, an individual must have been a member of the unit for at least 30 days.

Making a motion involves eight, basic steps:

- 1. Member Stands or raises hand, waiting to be recognized/called on by the chairperson
- 2. Chairperson Recognizes/calls on the member
- 3. Member Presents motion, stating, "I move..."
- 4. Another member Seconds motion to show more than one person is interested in discussing the item
- 5. Chairperson Restates motion to ensure everyone understands what will be discussed
- 6. Members Discuss motion with an equal opportunity to participate
- 7. Chairperson Puts motion to a vote by saying: "All those in favor say 'aye.' ... Those opposed say 'no'."
- 8. Chairperson Announces result to ensure all members know if the motion was approved or failed
