A Tradition of Making a Difference

For more than 125 years, PTA has reminded our nation of its obligations to children. PTA provides resources and important information to families, educators, and community members – and connects families and schools. When the education, health, safety or well-being, of our youth is at risk, PTA members are among the first to advocate for them. PTA has been instrumental in the passage of important laws and policy changes. Here are a few examples:

Speaking Up For All Children

Decisions that affect our children, youth, and families are made every day by local, state, and national policymakers. In a democratic society, every citizen has the right and the responsibility to participate in shaping those decisions.

As the largest child advocacy association in California, PTA is uniquely qualified to work with policymakers to secure laws and policies that place the highest priority on the education, health, and safety of all children and youth.

- Creating a separate criminal justice system for juvenile offenders
- Creating and enforcing child labor laws
- Building kindergarten into the public school system
- School-based nutrition programs: Federally funded hot lunches that now feed more than 30 million children a day
- School bus safety regulations
- Creating the content-rating system for television programs.

Many of these concerns may not have been addressed if PTA members had not taken up the cause!

PTA has never been shy about tackling tough issues – from talking about sex education as early as 1916 to supporting HIV/AIDS education programs in the 1980s to supporting LGBTQ youth, cyber safety and student privacy issues today.

During the COVID-19 pandemic, California State PTA members advocated for high-quality distance learning, adequate internet and digital device access, additional learning supports, and the safe reopening of schools. PTA was also an early advocate for meal programs to expand and continue even when schools were closed for in-person instruction.

California State PTA supported changes to school funding and how families are included in the decision-making process. The Local Control Funding Formula (LCFF) was passed by the California State Legislature and signed into law in 2013. In 2018, California State PTA sponsored a bill that added research-based family engagement guidance and practice into the California Education Code.

California State PTA continues to advocate for a whole-child approach to education to ensure all students have access to a full curriculum, including the arts.

Our Mission

The mission of the California State PTA is to positively impact the lives of all children and families.

Membership in PTA is open to everyone. Every PTA is self-governing and sets its own dues, but is also supported by a regional, state, and national structure.

To join or learn more, visit the Membership page at www.capta.org/join

Volunteer power: Local PTAs are powered by hard-working and dedicated volunteers. By creating an inclusive environment, we can continue to attract passionate volunteers.

- **Membership Matters:** Check out membership ideas and programs on the California State PTA website. The more members we have, the stronger our voice for all children. Not all members need to be volunteers. Just by joining, members support PTA and send the message to their children that education is important.
- **Communicate:** Frequently, one of a PTA's responsibilities is producing a newsletter that helps keep the entire school community informed of events, issues, and accomplishments of the PTA, the school, and the community. PTAs can also offer speakers on issues of interest and concern to families.

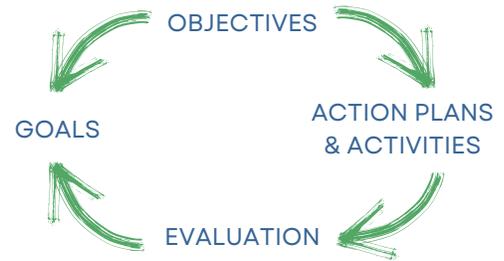

See measurable results: More than 85 rigorous academic research studies conducted over 30 years prove that children do better academically when parents are involved. Grades are higher, test scores improve, and school attendance increases.

- **Tap into proven programs:** Local PTAs have access to research-based, ready-made programs with proven success records, such as the Reflections Art Program and the School Smarts Parent Engagement Program. Additionally, a variety of resources on health and safety topics, family engagement, summer learning, and science, technology, engineering, arts, and math (STEAM) are available online.

Boost children's well-being: PTAs focus on the whole child, including nutrition, health, and well-being.

- **Inform and engage parents:** Involved parents understand the challenges schools face and become part of the solution, inside and outside the classroom, locally and legislatively.
- **Help all children succeed:** Education reforms such as the Local Control Funding Formula (LCFF) and the Local Control and Accountability Plan (LCAP) offer a huge opportunity for parents to shape the vision for their children's education and make it happen. Your voice matters! California State PTA is here to ensure the important voice of parents and families is heard to help all children succeed!

Stay Focused and Set Goals

Setting goals for your unit helps you work smarter in planning and organizing the PTA year. It supplies a road map for board members to stay on track as a team:

Why? Goals set direction, and provide focus, purpose and accountability. Goals help groups to be more efficient and more effective.

Who? Goals should have wide appeal. Goal-setting provides opportunities for input that promote feelings of ownership in your school community.

What? A goal is a destination. It should be a written, relevant, attainable, observable, broad statement of a desired end.

When? Goals should be established early, reviewed often and updated if needed.

A sample goal might be "Sunshine PTA will increase parent engagement by offering programs of interest at each association meeting."

Learn more about goal-setting at leaders.capta.org. An Internet search for "goal-setting" can also lead to helpful tips.

Establish Ground Rules

Establishing ground rules helps PTA boards work together effectively and you should agree on them as a board.

Review the examples below before each meeting to set a productive tone.

- Use ice breakers or an inspiration to put attendees at ease
- Respect everyone's comments
- Allow everyone a voice
- Speak one at a time
- Discuss issues, not people
- Try not to repeat
- Stay on task
- Don't take anything personally
- Agree to disagree
- Put electronic devices on silent

Before the Meeting

- Verify meeting locations
- Review previous minutes
- Review upcoming (and past) calendar
- Prepare agenda
- Contact those who should present reports.

During the Meeting

- Start on time
- Agree on ground rules
- Review agenda (add items if needed)
- Stick to the agenda
- Use parliamentary procedures
- Summarize
- Give everyone a chance to participate
- Restate decisions / assignments
- End on time

After the Meeting

- Distribute minutes promptly
- Follow up on assignments.

For tips on preparing an agenda, see the Toolkit online at [toolkit.capta.org](https://www.toolkit.capta.org) and type "Sample Agenda and Meeting Planner" into the search.

Make the Most of Your Meetings

GENERAL MEMBERSHIP IS THE "ASSOCIATION"

Your PTA members should approve programs and activities, adopt the budget, ratify all expenditures of funds, and adopt audits. This happens at association meetings, the "A" in PTA.

YOUR PRINCIPAL IS AN ESSENTIAL PARTNER

The principal:

- Serves as an advisor to the nominating committee and the executive board.
- Has prior approval on PTA information shared at school and sent home with students.
- Works with the president and board on programs and activities.
- Is a voting member of the board.

TYPES OF MEETINGS

ASSOCIATION MEETINGS

Meetings are set in the standing rules

Attendees: PTA members and guests.

Actions:

- Approves programs and activities, adopts budget, ratifies all expenditures of funds, and adopts audits.
- Elect nominating committee and officers.
- Adopt bylaws and standing rules.

EXECUTIVE BOARD MEETINGS

Typically meets *monthly during the school year.*

Attendees: Officers, principal, teacher representatives, and standing committee chairs.

Actions:

- Ratify the appointment of committee chairs and committee members.
- Review and approve committee recommendations.
- Recommend action and authorize expenditures to the association.
- The board follows PTA protocol at all times and protects the assets of the association
- All board members may make motions (including the principal and teacher representative if they are members of the executive board)
- All members of the executive board must be members of the association.

Build Family-School Partnerships

Find ways to make your association meetings more welcoming and inclusive for families from all neighborhoods.

This might include:

- Greeters and childcare
- Signs and handouts in multiple languages
- Offer interpretation
- Name badges and/or door prizes
- Ice breakers, social time/snacks
- Virtual or hybrid meetings
- Vary meeting times and days

Build family-school partnerships with topics of interest to everyone on campus such as student learning, safety, health and wellness.

Having speakers, a community forum, student panel or program at an association meeting is an effective way to grow family engagement.

COMMITTEE MEETINGS

Meet as necessary

Attendees: Chairs, members, president.

Actions:

- Handle preliminary planning and work and recommend actions to the executive board.

Notes About Meetings

- Meetings and agendas must be publicized at least 10 days in advance and provide members an opportunity to speak.
- The president sets the agenda for each meeting, seeking input from board members.
- The president chairs the association and executive board meetings. The committee chair preside over the committee meeting
- Only members may make motions, discuss and vote (including the principal and teacher representative if they are members of the body that is meeting).
- All members of the executive board must be members of the association.
- Our bylaws allow for meetings to be held via teleconferencing as long as all of the members are able to communicate with each other. The language is permissive using the verb "may." This authorizes but does not require teleconference meetings.

Notes About Votes

- Voice vote is the regular method of voting on motions requiring a majority vote.
 - If the chair believes the vote will be close, they may call for the vote by a show of hands
 - A rising (standing) vote is the regular method of voting on motions requiring a two-thirds vote
- A two-thirds vote is required to change any action previously adopted by the group
- The chair of a meeting abstains from voting in most cases. To maintain impartiality the chair only votes to break a tie vote, or when the vote is by ballot.
- State PTA rules do not allow proxy votes. PTA bylaws prohibit voting by proxy. This means no absentee voting. That's why, if a member is unable to attend a meeting, another member may not be authorized to vote on his/her behalf at the meeting

8 Steps to Making a Motion

At meetings, members present motions to take action for a PTA’s plans, programs, and activities. Making a motion involves eight basic steps:

1. Member raises hand or stands and waits to be recognized
2. Chair recognizes the member
3. The member presents the motion by stating, “I move ... ”
4. The motion is seconded by another member. This shows that more than one person is interested in bringing the business before the group for discussion
5. The chair restates the motion. This ensures all members understand what is to be discussed
6. Discussion is held on the motion. During discussion, all members participate fully
7. The chair puts the motion to a vote by stating, “All those in favor say ‘aye.’ (Pause for a vote.) Those opposed say ‘no.’ (Pause for a vote.)
8. The chair announces the result of the vote to assure all members know whether the motion has been adopted or failed

Items to Forward to Councils & Districts

- Fall – Annual Financial Report for the prior year, current-year budget, year-end audit, and copies of all tax returns or confirmation of electronic filing.
- Mid-Year – Mid-year audit report
- Spring – Historian Report with tally of volunteer hours for the year and list of incoming officers (entered into MyPTEZ)

NOTE: Please update MyPTEZ and notify your council and district any time unit officers change.

A parliamentarian can help your meetings run smoothly. The parliamentarian is a consultant to the president. The position is purely advisory as the chair alone has the power to rule on questions of order or to answer parliamentary inquiries. (See job descriptions in the Toolkit online at toolkit.capta.org.)

Membership Is Our Strength

Joining PTA is a great way for families and guardians to support their children. Active and informed members make positive decisions that affect the welfare and education of children and youth locally, statewide, and nationally. The more members in PTA, the more powerful our voice.

A PTA's membership numbers are a way to measure...

- How many people know about PTA;
- How many people support kids and families in your school community;
- How many people value what your PTA has to offer;
- How many people know the programs your PTA sponsors; and
- How strong and relevant PTA is as a local and statewide association.

PTA is a membership association and people join each year by paying dues. Only members have voting privileges. When you join your local PTA, you also become a member of California State PTA and National PTA. This multiplies the resources and benefits of belonging and strengthens our voice for children.

Everyone can join. Invite all family members, students, grandparents, community members, local business leaders, school staff, school district staff, school board members and other local officials – and anyone else who is interested in the well-being of children and families. Reach out to alumni and make a special effort for those who have not previously joined.

Each PTA member must get his or her own membership card! One member = one card. PTAs using the TOTEM electronic membership system will have electronic membership cards.

Membership monies are forwarded through PTA channels. Keep your unit's portion of the dues, as listed in your bylaws, then forward the remaining portion (referred to as "per capita" or money not belonging to the unit) to your council (if your PTA is in a council) or to your district PTA. Make note of your district PTA's (or council's) membership due dates and meet them – or beat them!

Remember to forward "per capita" every month. Don't wait for due dates.

TOTEM

Local PTAs can sign up members and manage membership with TOTEM, our electronic membership system. By using TOTEM, members can join your unit anytime, anywhere online, and receive electronic membership cards.

For more information, visit leaders.capta.org.

Organizing and running a PTA membership campaign can be fun, and easy!

Check out California State PTA's Leaders' Website – leaders.capta.org – for easy-to-use tools and resources to help you plan and promote your PTA membership campaign, especially during the back-to-school season.

Get connected and register your PTA for our electronic membership system, powered by TOTEM. E-membership makes it easier to join a PTA and renew membership. It gives leaders more ways to manage membership effectively. Learn more at leaders.capta.org

Volunteer Power:

Tips for Recruiting & Engaging Volunteers

- Make sure your board has set goals that have been publicized to your school community
- People are more willing to work toward a goal
- Ask people! Personally. Be honest when describing a position or project, including the time commitment
- Match skills and interests to the job
- Approach a new volunteer with a small project that may only take an hour or two
- Saying no might not mean forever. Try asking again at a later date
- Ask the principal and teachers if they have encountered any potential volunteers
- Be diverse and inclusive! Your board and volunteers should reflect your entire school community
- If you have a list of potential volunteers, be proactive to reach out and contact them.
- Offer a job to everyone who volunteers, providing options tailored to interests and availability
- Don't micromanage! Empower volunteers to develop their own strategies
- "Thank you" are the two most important words in PTA
- Make sure each task is manageable
- Be open to, and encourage, new ideas
- Consider "virtual volunteers" – those who can help from home
- Consider the skill sets of different generations
- Build a sense of camaraderie and teamwork
- Have fun!

Understand the difference between recruiting volunteers and recruiting members. Not all members want to volunteer, but everyone should be asked to support their child and their school by joining PTA. Appreciate whatever level of support people are willing to give.

Check leaders.capta.org and the Toolkit (toolkit.capta.org) for information on team building, collaborating, etc.

Working Together

Here are some tips on meeting the challenge of working effectively as a team when there are different personalities, leadership styles, experience levels, ages, and understanding of the association.

- Set goals and discuss expectations
- Agree to ground rules
- Agree to respect differences of opinion
- Build relationships with your board

Recognize conflict. Assumptions and unconscious bias are often at the center of a conflict.

Possible causes:

- Strong differences of opinion
- Failure to communicate
- Misunderstanding about goals
- Unfamiliar with policies, procedures or bylaws
- Disagreement as to what has taken place
- A feeling that members have not been respected or heard
- Personality or cultural differences

Manage conflict. Do not fear: Conflict can be healthy. How you deal with it makes the difference.

Conflict resolution is a process that often results in positive change and growth for individuals and the association. The key to successful conflict resolution is keeping the focus on the process and desired outcomes, not the personalities. A fair and credible facilitator is the best choice to manage conflict to a resolution.

*Site administrator and PTA president:
partners working together.*

Steps to Building an Inclusive PTA

Adapted from "Respecting Differences Resources Guide," National PTA

Gather Information

- All groups in your community should be invited, and encouraged to participate in the PTA, regardless of gender, race, national origin, religion, sexual orientation and ability.
- Ask individuals and leaders from a wide range of groups about how you can partner with them, or ask them to serve as advisors (on your board, for a joint project, etc.).

Understand the Issues

- Invite speakers to hold workshops about cultural or ethnic issues for the PTA board, your membership, parents, and students.
- Include current and emerging issues from all communities on your agenda and in your plans.

Build Awareness

- Be responsive to the language needs of others; provide interpretation/translation.
- Remove physical barriers that discourage participation.

Make Changes

- Plan meetings and activities that avoid conflicts for working or single parents.
- Plan meetings around cultural, ethnic, and religious holidays and observances (use the National PTA Multicultural Calendar)
- Work to understand and promote respect for the unique contributions of every person and family. Together they make your PTA an effective voice for all children.

Document Retention & Destruction Policy

Model Practices for Districts, Councils, and Unit PTAs

It is very important that certain records be retained. The current IRS letter of determination, the current bylaws and standing rules approved by the state parliamentarian and adopted by the association, and the articles of incorporation (for incorporated PTAs) should be readily available at all times.

California State PTA updated its record retention policy in November 2016 and meets all applicable state and federal statutes as it relates to document retention and nonprofit organizations. This policy is intended as a guide for model practices at the local district, council, and unit PTAs.

The state policy will include things that may not be applicable to you at the local level, but it will include many documents you need to keep and will want to know when it is safe to destroy and no longer store some documents.

Purposes of the policy include:
(a) retention and maintenance of documents necessary for the proper functioning of local PTA as well as to comply with applicable legal requirements; (b) destruction of documents which no longer need to be retained; and (c) guidance for the Board of Directors (the "Board"), officers, and other constituencies with respect to their responsibilities concerning document retention and destruction.

Spotlight on Finance

Every PTA board member has a fiduciary responsibility / financial responsibility to:

- Ensure compliance with federal and state laws and policies and procedures of the association
- Ensure assets are used to meet the needs of children and PTA members
- Ensure the association remains transparent to all members
- Ensure that the association will continue

Specific Financial Duties of the President:

- Must sign all authorizations for payment (along with the secretary) and may sign checks as approved by the executive board or association
- Upon election of officers, appoint a budget committee
- Have all contracts and other legally binding documents approved by the executive board and the association before signing with another elected officer
- Make sure all financial due dates are met so that the association remains in good standing with California State PTA

Budget Information:

- The budget committee is appointed by the president and chaired by the treasurer (or appointed by the president-elect and chaired by the treasurer-elect if the budget is being developed for the new term in advance of taking office). The committee should include the financial officers, the principal or his/her representative, a teacher, the president or president-elect, and others
- Goals and programs must be identified before creating a budget. The budget is a guide outlining expected income and expenditures
- Present proposed budget at the last association meeting of the year to get preliminary approval
- Present proposed programs, fundraisers, and budget at the first association meeting of the year to get association approval

Adoption of the budget does not authorize the expenditure of money.

Release of funds does not authorize expenditures.

Plans must be presented to the executive board and authorized before expenditures are made.

The association must still ratify all expenditures.

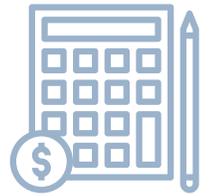

A Financially Healthy PTA

- Ensures that only current authorized check signers are on the bank signature card.
- Ensures checks are signed by two authorized check signers.
- Ensures blank checks are never signed.
- Only pays bills that have been authorized by the executive board or association.
- Ensures the budget is approved by the association prior to expending funds.
- Ensures financial reports are current and presented at every association and executive board meeting.
- Ensures all monies are counted by two PTA members, one of whom must be an officer or chair, and that cash verification forms are signed by everyone who counts the money.
- Ensures the bank statements are sent to the school address or to the address of a board member who is not a signer on the PTA bank account.
- Appoints a non-check signer to review and sign bank statements and reconciliations monthly to ensure there are no irregularities.
- Remits membership funds not belonging to the association (per capita dues) monthly.
- Conducts at least two audits per year, in accordance with the bylaws, and presents them to the association for adoption.
- Appoints an audit committee composed of the auditor and at least one other member to review the required audits and review the books or, alternatively, appoints a qualified accountant (paid or volunteer) to prepare the required audits.

- Files the appropriate federal and state tax filings annually by the 15th day of the fifth month following the end of the fiscal year.

If you receive a letter from the Internal Revenue Service (IRS), the State of California Franchise Tax Board (FTB) or the Attorney General (AG), please contact your PTA district or California State PTA right away and provide a copy of the communication.

Please do not call the governmental entities that sent you the letters.

They specifically have asked that all help requests start with California State PTA because we have formed working relationships with the IRS, FTB, and AG and can address your PTA-specific questions. Refer to the [Tax Filing Support Center](#) on the California State PTA Leaders' Website for the most up-to-date information.

Insurance Information

High quality, group-rate insurance for all PTAs, available at an exclusively low rate, is one of the greatest advantages of being a PTA. It protects your association and your leaders while saving hundreds of dollars annually.

PTA boards should review and familiarize themselves with insurance practices. You may also want to share the information with the school district in your area.

Please contact Association Insurance Management, Inc (AIM) with questions regarding insurance coverage or activities and events at:

(800) 876-4044 or (214) 360-0801
email: capta@aim-companies.com

Some PTAs may want additional bonding insurance, which can be purchased directly from AIM.

Answers to frequently asked questions, application for increased bonding coverage and event-planning pages from the Insurance Guide can be found on the California State PTA Leaders' Website at: <https://leaders.capta.org/finance/insurance-coverage-and-service>

Insurance Guide for PTAs

The Insurance Guide is available online on the California State PTA Leaders' Website, leaders.capta.org

The guide is also updated each year and mailed to all PTA presidents each November.

RED LIGHT – prohibited activities/events

YELLOW Light – has conditions

GREEN Light – approved

The policy is designed to cover allowable PTA events. Before planning any activities, it is critical that the PTA board review the Insurance Guide.

Certain activities and events are prohibited because they are excluded by the insurance policy or because they are dangerous or jeopardize the safety of our children and youth. If the PTA sponsors a prohibited event and someone is injured because of PTA negligence, the individual PTA officers could be held personally liable.

Bylaws and Standing Rules

Make it Easier to Run Your PTA

All PTAs chartered in California are governed by three key elements – bylaws, standing rules, and procedures.

Bylaws define the primary characteristics of the association and how it will function. PTA unit, council, and district bylaws all contain shared characteristics: name, the purposes of the association, how to become a member, officers required and their duties, meetings to be held, parliamentary authority, and amendment procedures. Bylaws cannot be suspended.

See the inside back cover, page 19, for a handy Bylaws Information Summary that's ready to fill out for easy reference.

Bylaws should be reviewed every year and updated at least every five years.

Standing Rules provide details and policies for administering the business of the association. For example, the bylaws state that the executive board will meet monthly during the school year, and a standing rule provides details as to the day of the month for that meeting. A standing rule may not contain any directions or procedures contrary to any provision in the bylaws or the California State PTA Toolkit.

Procedures provide guidelines and instructions for handling specific functions of the association. All officers and committee chairpersons should maintain procedure books that detail instructions for their particular positions, and the instructions should be updated annually. Procedures may be changed without membership approval, but they must not conflict with either bylaws or standing rules.

eBylaws is a free service that allows PTAs to easily update bylaws online.

To get started, go online to leaders.capta.org and request a user name and password to access e-Bylaws.

Nominating Committees

Check your bylaws to determine in which month the nominating committee is elected for your PTA. The committee must be selected at least two months prior to the election meeting. This should give the committee enough time to find a slate of officers and post the slate 28 days prior to the annual election.

See the Toolkit online at toolkit.capta.org and type “Nominations and Elections” in the search.

Tip: Start the year right by giving each board member a copy of your bylaws. Take time to review the bylaws together. This helps everyone understand the PTA's responsibilities and the due dates a PTA must keep so that everyone is on the same page.

Transition and Succession

The smooth transition of outgoing and incoming board members and officers is of vital importance and can determine your PTA's leadership success for years to come. The transition process is the responsibility of both incoming and outgoing officers and board members. It gives closure to those leaving their positions and allows those coming in to be properly prepared. It also provides an opportunity for outgoing members to evaluate their work and efforts while giving suggestions to those new board members on what they wish they had done differently.

TRANSITION IN A NUTSHELL

- Finish your term and complete all responsibilities. Then step away and let your successor lead
- Invite officers-elect to board meetings, council, and district meetings as appropriate
- Send new board contact information to your council or district
- Plan to have all board members meet with their successors
- Turn over all PTA materials in a timely manner
- Meet with the officers-elect and orient them to the unit PTA
- Introduce them to school staff and principal

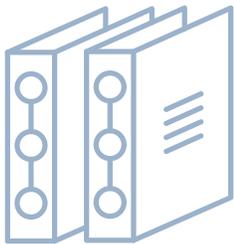

WHAT'S IN A PROCEDURE BOOK?

If you don't get a procedure book from your predecessor, start one that you can pass on at the end of your term. Procedure books can be paper or digital.

- Minutes
- Agendas
- Rosters and contact information
- Publications and fliers
- All State and National PTA resources and publications, training manuals
- All reports (including committee) and financial reports (including tax filings, budgets, etc.)
- Bylaws
- Membership totals
- Calendar information
- Handouts from the convention and trainings
- Insurance Guide
- Programs and activities sponsored by the unit/council
- Job descriptions
- Council/District roster and contact info
- Correspondence received and sent during term
- Policy and procedure documents
- Mission statements and goals
- Information specific to positions to make successors' jobs easier

Did you know...?

Procedure books belong to a PTA and are not to be regarded as the personal property of individual volunteers.

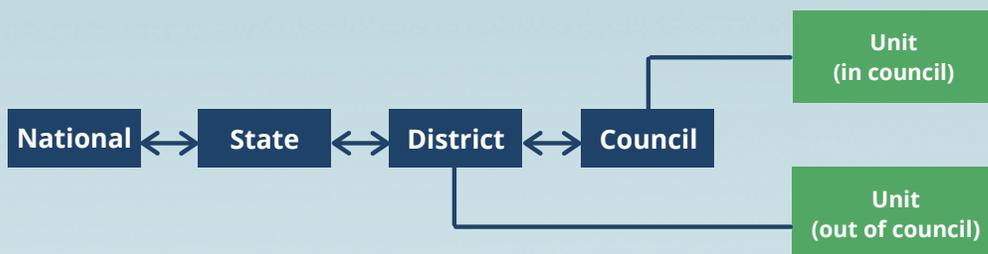

Contact your council PTA or district PTA if you don't receive materials from your predecessor, if you have any questions, or are in need of any support.
