

Candy Bar Installation (In verse)

(President)

For myself I'm going to enjoy a special treat
Serving as president is actually no incredible feat
I'm surrounded by hard working, dedicated people, I gladly call friends
They do a fantastic job - They are our means to our ends
I've been honored to serve as your president for sure
But it's all of us working together that will help our PTA endure
In the end, after all is said and done, I'm busy but still alive
So be patient a minute while I sit back, so I can just **TAKE 5**

(1st VP- Programs)

Our program has the in and out
Of what our PTA is all about
Names, places, rules and regulations
Things you'll fulfill beyond our expectations
You help us find what to do or where to go
So it's no surprise that we can always trust that **U-No**

(2nd VP- Ways and Means)

As Ways and Means 2nd VP
You get a lot done as we all can clearly see
In September when funds will be desperately sought
You'll organize our fundraising efforts, which hopefully won't be hard
fought

but that's why we've never had a negative flash
we know you'll always be there to help us get the **cash**

(3rd VP- Membership)

You've heard lots of adages for an association or group
The weakest link determines the strength of the troupe
Parents, Teachers and Students- one for all and all for one
As a group we come together to get the job done
But there is strength in numbers, so we need to fortify our entity
We know you'll make sure this year that our numbers are **Good and plenty**

(Auditor)

Several times a year, our books need help
You took on this job without a complaint or a yelp
Checking our numbers and balance and figures
Looking for errors or incorrect triggers
Keeping us out of getting into tight spots
We thank you for checking our dashes and **Dots**

(Corresponding Secretary)

Keeping a group like ours that is quite diverse
Unified, cohesive and working in the same universe
Requires the help of someone who can tie us all together
Keeping us connected in all types of weather
Spreading the word so we'll all be in harmony
Creating our wonderful PTA **Symphony**

(Financial Secretary)

You have responsibility galore
We look to you when our budget's need more
We count on you to approve our checks
Without reimbursements, we'd all be wrecks
For all this work we thank you more than we can say
For making sure we end up with our well deserved **PAYDAY**

(Historian)

Our history dates back over many a year
And we'll need someone to keep up with that, I fear
Counting volunteer hours and keeping them in line
You can add a hour here or there, that would still be fine
We know you're the right person to maintain our book
So we can go back many years from now, and still take a **LOOK**

(Recording Secretary)

To be recording secretary is truly a tricky job
To be responsible while the rest of us hobnob
We talk and laugh and chatter away
While the secretary must remember all that we say
We count on her to keep track of every detail
So we can recall later what was said without fail
Not to miss a single solitary aspect without waiver
That's why we can count on you to be our **Lifesaver**

(Treasurer)

In you we trust our dollars and cents,
And that's why we need your wisdom and good sense
You're good with numbers and that helps too
What ever financial issue comes up we know you'll get us through
Making our deposits and keeping up with our checkbook
Bank Fees, Interest, check requests- they all need a good look
In addition to all this, you're always willing to lend a helping hand
And that's why to us you're worth more than a **100 Grand**

(Advisor)

You are the liaison between the school and us
We depend on you to advise us on what we can or must
Through you we get the much needed inside views
To keep us knowing the latest up-to-date news
When or where or what is happening now
How does it affect us, can we be involved somehow?
You're always there to help us when we're in "lost" mode
which is why we'll look for you if we're ever on a **Rocky Road**
