

Torrance Council of PTAs

Introduces

Project B.O.S.S.

(Bringing Our Student's Supplies)

Torrance Council of PTAs is excited about our school supplies program, **Project: B.O.S.S.**

Since 1992, the Torrance Council of PTAs has participated in a program that provides back-to-school supplies for many students from families with financial hardships and who attend school in Torrance Unified School District.

In order to meet the needs of more TUSD students, Torrance Council of PTAs has taken the program in-house with "**Project B.O.S.S.**" (Bringing Our Student's Supplies).

Project B.O.S.S. is a collaborative effort with funding currently from Torrance Council of PTAs, individual PTA units, Torrance Teachers Association, Association of Torrance School Administrators and Members of the Community.

The main objective of **Project: B.O.S.S.** is to ensure that all TUSD students have the necessary tools to successfully complete school work while at home and at school. It is the intent of the program to put essential school supplies into the hands of students whose families may not be in the position to provide them with this very important need.

Any donations would greatly be appreciated whether it be actual school supplies or monetary donations.
