Why donate?

Making a direct donation to the PTA is the easiest way to contribute to all the programs funded by the PTA. No products to sell, no bugging friends & family, and every penny stays within our school, and it promotes school spirit.

Where does my money go?

The PTA pays for assemblies, Adventures in Art, the school library, 5th grade promotion party, Science lab experiences, field trips, scholarships, classroom supplies, teacher appreciation, and so much more.
