

## MOVIE INSTALLATION

The PTA is like the movies. It's filled with action, adventure, comedy and drama. A successful movie is one that creates a memorable experience for the audience. Our audience, our biggest fans are our children and you are each Oscar Winners for your leading and supporting roles making the magic happen time and again. The hours are long, and the stress is high and instead of A-List Celebrity payment, our compensation is the smile on the children's faces.

A great movie needs a strong team to become a box office smash.
