

MATH--THON²⁵

Help us raise funds that support learning, field trips,
monthly activities, and more!

Collect Donations and Pledges from Now until
FRIDAY, NOVEMBER 14TH.

Dazzle everyone with your *impressive* math skills in class on Friday, November 14th. Receive your results on Monday, November 17th. Be sure to reach out to your pledges & share how fantastic you did!

Here's how it works:

Step 1: Visit <https://app.99pledges.com/fund/EdisonMath2025>

Step 2: Search your name to locate your personal link.

Share this link with family & friends to gather flat donations & per-problem pledges. If you prefer to gather in-person pledges or donations, please use the attached form.

Step 3: Do your best on the math worksheet during class on Friday, November 14. Make-ups can be given the next week, if necessary.

Step 4: Receive your score and tell your pledges how you did! Collect & return manual pledges by Friday, November 21st.

Step 5: Finally, earn **COOL PRIZES** for both collecting donations and doing math!

Step 6: Scan the codes below for an informational video or daily updates!
